

Information on medical care for Czech Government scholarship holders

Procedure to get free medical care and COVID-19 free testing:

1. Your **valid Decision on granting the scholarship (original)** must **ALWAYS be presented** to the health care provider, at the COVID-19 testing or vaccination site.
2. Each Czech Government scholarship holder must **know** his own personal number (“**kmenove cislo**”).
3. The health care provider **verifies** your entitlement to free care by entering your personal number (kmenove cislo) and gets information on correct invoicing at <http://registr.dzs.cz/dotaz.nsf/dotaz>.
4. If the health care provider is informed and continues to **request immediate reimbursement**, the Ministry of Health should be **contacted directly at 00420 224 972 850**.

COVID-19 free PCR testing:

The testing is possible to the same extent as for the citizens of the Czech Republic - currently **2 free tests per month**. The Ministry of Health recommends that the Czech Government scholarship holders take the test **ONLY** at the following testing sites:
